● LEVEL

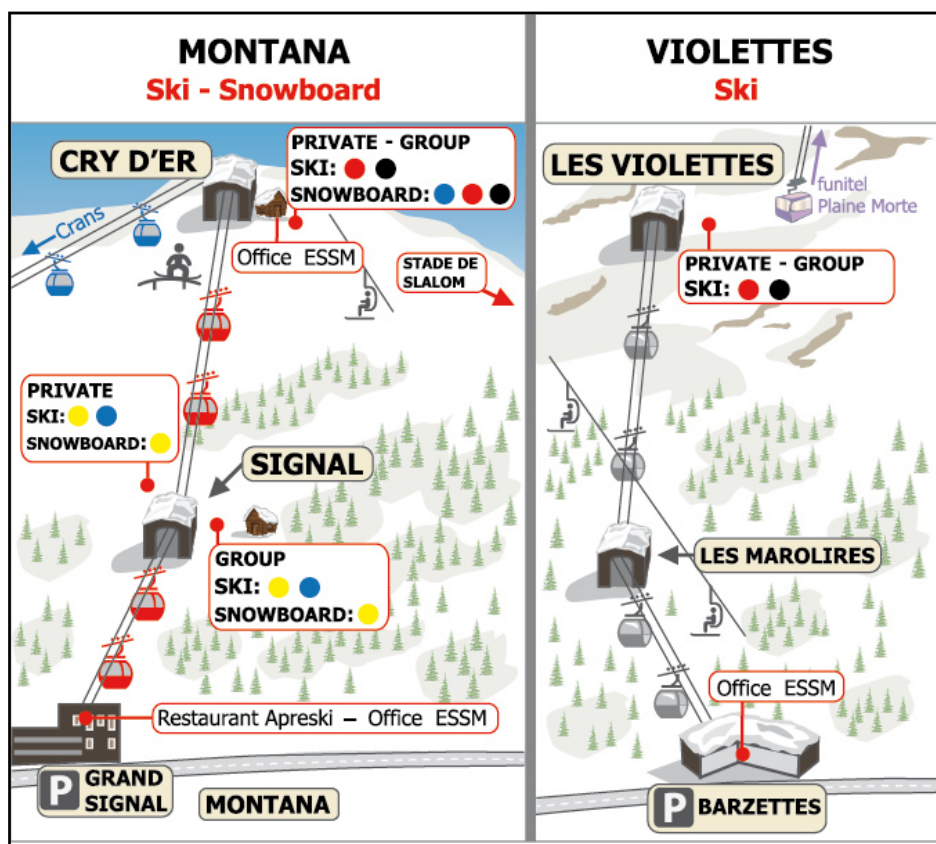

SKI

-  You have never skied before.
-  You know how to stop and turn in snowplough. You can take the ski-lifts easily.
-  You start skiing in parallel and can ski down a red slope.
-  You can ski in parallel in any condition and on every slope.

SNOWBOARD

-  You have never tried snowboard before.
-  You know how to slip and stop. You can turn on blue slopes. You want to improve your technique and flow.
-  You can turn on a red slope. You want to go faster everywhere or start freestyle.
-  You master your turns on every kind of slopes. You want to get down on steeper slopes and to carving turns. You also want to make some jumps and freestyle (ollies, fakies)

PRINCIPAL MEETING POINTS :

● RECOMMENDATIONS :

- Watch not to overestimate your (or your children's) level.
- During the high season, please pay attention to the lines at the bottom of the installations.
- The helmet use is highly recommended for the children.
